

## Follow steps 1 + 2 when booking Special Deals/Class Packs

- 1) **First:** Book and pay for the desired special deal or class pack (the 330am/430am time is arbitrary - so please ignore this time on the deals/packs pages)
- 2) **Next:** Click the exact class you'd like to attend and follow the steps to schedule it - when you arrive to the credit card entry page - on the bottom right **CLICK** the blue **“Pay later”** link in order to bypass charges and click to confirm and schedule.

Any questions during the process please call us on (646) 698-8493.

**Thank you,**
